THE BILLY MOCK FOUNDATION

Billy Mock was a loving Christian with a dynamic enthusiasm for life. His infectiously positive attitude, ever-present smile and vibrant personality literally impacted the lives of thousands of people. Billy began fighting brain cancer in 2005 and touched thousands of lives until his death in 2007 at the age of 13.

The Billy Mock Foundation is a tribute to Billy and his compassion for people, love for life, and passion for sports.

Our mission is simply to “help others” which is achieved through Pay it forward program which is to encourage people to help others; educational grants; and support of families in need especially those with a sick child.

The Billy Mock Foundation (a 501 (c) (3) non-profit organization) was established in 2008, on what would have been Billy’s 14th birthday, by the Mock Family and friends. It has awarded numerous scholarships, provided financial support to many families in the region, and supported many local groups working within our community to improve the lives of others.

Dear Friends,

Thank you very much for the generous donation of \$1,000.00. We appreciate you blessing us with such a kind donation and will put it to good use to support the programs offered at Anna's Place.

After twelve years of ministering in education at the east end of Chester at Drexel Neumann Academy, we are very much enjoying meeting the guests who reside on the west end of Chester and attend programs at Anna's Place. There is no doubt God has called us to this blessed mission.

During our time in Chester, we have seen acts of violence which should never occur. During our time in Chester, we have met people who continue to mourn lives of lost loved ones to random violence and gunfire. During our time in Chester, we have seen people who suffer unspeakable heartache because of the poverty in which they live. We feel so incredibly blessed that now we are able to not only pray, but to minister and walk with our sisters and brothers in Christ who come to Anna's Place for a meal, to play a game of bingo, to learn to crochet or simply to be in a place where they feel loved and safe.

One of our heroes, Dorothy Day, provided good advice when she reminded us that the Gospel Message must always motivate what we do and how we do it. Your awareness of the dear residents of Chester is a beautiful witness to us of God's blessing on Anna's Place and reminds us of faithful companions of the journey of caring for the people of Chester!

Peace and all good,
